

ENERGY Startup Day

innovative
Startups | meet
Industry

4. November 2015
11 a.m. - 7 p.m.
Umweltarena Spreitenbach

The main goal of the event is

- to initiate collaboration for knowledge exchange between startups, incumbents and new actors in the energy and cleantech field, while
- the focus goes beyond financial investments to foster collaborative development.

Place & Date

Wednesday,
4. November 2015
